

10.1 - Structure of the data tables in moveon

accommodation table

Content: accommodation data

Name	Type	Size	Description
accommodation_id	int		ID
accommodation_lastupdate	timestamp		Date and time of last update
accommodation_lastuser_id	int		Last updated by user ID
accommodation_residence	varchar	50	Name of residence
accommodation_number	varchar	15	Number
accommodation_maxoccupancy	smallint		Maximum occupancy
accommodation_co	varchar	35	c/o
accommodation_street	varchar	150	Street
accommodation_postcode	varchar	15	Post code
accommodation_city	varchar	50	City
accommodation_active	smallint		Active (yes:1/no:0)

agreementitems table

Content: details of planned mobility flows for an agreement

Name	Type	Size	Description
agritem_id	int		ID
agritem_lastupdate	timestamp		Date and time of last update
agritem_lastuser_id	int		Last updated by user ID
agritem_agreement_id	int		Attachment agreement ID
agritem_type_id	varchar	5	Type ID (sms: student mobility for studies / smp: student mobility for placement / tm: teaching mobility / st: staff training)
agritem_numberout	smallint		Number of outgoing mobilities
agritem_durationout	smallint		Duration of each outgoing mobility
agritem_numberin	smallint		Number of incoming mobilities
agritem_durationin	smallint		Duration of each incoming mobility
agritem_subject_id	varchar	4	Subject area ID
agritem_levels	varchar	5	Study level ID
agritem_description	varchar	255	Description
agritem_homedeptcontact_id	int		Internal departmental contact ID
agritem_extdeptcontact_id	int		External departmental contact ID

agreements table

Content: agreement data

Name	Type	Size	Description
agreement_id	int		Agreement ID
agreement_lastupdate	timestamp		Date and time of last update
agreement_lastuser_id	int		Last updated by user ID
agreement_cooperation_id	int		Attachment cooperation ID
agreement_institution_id	int		Attachment institution ID
agreement_name	varchar	150	Name
agreement_startyear_id	smallint		Start year ID

Name	Type	Size	Description
agreement_status_id	smallint		Agreement status ID
agreement_endyear_id	smallint		End year ID
agreement_agrtype_id	int		Agreement type ID
agreement_signdate	date		Signature date
agreement_renewaldate	date		Renewal date
agreement_contract	smallint		-
agreement_homeinstcontact_id	int		Internal institutional contact ID
agreement_homeadmcontact_id	int		Internal administrative contact ID
agreement_homesigncontact_id	int		Internal signatory ID
agreement_extinstcontact_id	int		External institutional contact ID
agreement_extadmcontact_id	int		External administrative contact ID
agreement_extsigncontact_id	int		External signatory ID
agreement_remarks	text		Remarks
agreement_free01	varchar	255	Free field 1
agreement_free02	varchar	255	Free field 2
agreement_free03	varchar	255	Free field 3
agreement_free04	varchar	255	Free field 4
agreement_free05	varchar	255	Free field 5
agreement_free06	varchar	255	Free field 6
agreement_free07	varchar	255	Free field 7
agreement_free08	varchar	255	Free field 8
agreement_free09	varchar	255	Free field 9
agreement_free10	varchar	255	Free field 10
agreement_free11	varchar	255	Free field 11
agreement_free12	varchar	255	Free field 12

agreementtypes table

Content: agreement type data

Name	Type	Size	Description
agrtype_id	int		ID
agrtype_lastupdate	timestamp		Date and time of last update
agrtype_lastuser_id	int		Last updated by user ID
agrtype_name	varchar	50	Name
agrtype_name_en	varchar	50	English translation of name
agrtype_name_de	varchar	50	German translation of name
agrtype_name_fr	varchar	50	French translation of name
agrtype_name_es	varchar	50	Spanish translation of name
agrtype_name_it	varchar	50	Italian translation of name
agrtype_type_id	smallint		Type ID (1: Erasmus bilateral agreement)
agrtype_acadyear	smallint		Academic year as definition year (yes:1/no:(calendar year):0)
agrtype_text	text		Text
agrtype_mobility	smallint		Include mobility (yes:1/no:0)
agrtype_order	smallint		Order
agrtype_active	smallint		Active (yes:1/no:0)
agrtype_idexternal	varchar	10	External ID

applicationprocess table

Content: application process data

Name	Type	Size	Description
applprocess_id	int		ID
applprocess_lastupdate	timestamp		Date and time of last update
applprocess_lastuser_id	int		Last updated by user ID
applprocess_name	varchar	50	Name
applprocess_description	varchar	255	Description
applprocess_startdate	date		Start date
applprocess_enddate	date		End date
applprocess_persontype_id	varchar	10	Person type (studout:outgoing student / studin:incoming student / staffout:outgoing staff / staffin:incoming staff)

applications table

Content: application data

Name	Type	Size	Description
application_id	int		ID
application_lastupdate	timestamp		Date and time of last update
application_lastuser_id	int		Last updated by user ID
application_date	date		Date
application_applprocess_id	int		Attachment application process ID
application_person_id	int		Attachment person ID
application_free01	varchar	255	Free field 1
application_free02	varchar	255	Free field 2
application_free03	varchar	255	Free field 3
application_free04	varchar	255	Free field 4
application_free05	varchar	255	Free field 5
application_free06	varchar	255	Free field 6
application_free07	varchar	255	Free field 7
application_free08	varchar	255	Free field 8
application_free09	varchar	255	Free field 9
application_free10	varchar	255	Free field 10
application_free11	varchar	255	Free field 11
application_free12	varchar	255	Free field 12

contacts table

Content: internal and external contact data

Name	Type	Size	Description
contact_id	int		ID
contact_lastupdate	timestamp		Date and time of last update
contact_lastuser_id	int		Last updated by user ID
contact_institution_id	int		Attachment institution ID
contact_faculty_id	int		Attachment faculty ID
contact_facfield_id	int		Attachment field of study ID
contact_surname	varchar	50	Surname
contact_firstname	varchar	50	First name
contact_title	varchar	20	Title

Name	Type	Size	Description
contact_sex	char	1	Gender (male:M/female:F)
contact_department	varchar	100	Department
contact_function	varchar	100	Function
contact_responsibility	varchar	255	Responsibility
contact_street	varchar	150	Address
contact_postcode	varchar	15	Post code
contact_city	varchar	50	City
contact_country_id	char	2	Country
contact_phone	varchar	20	Phone
contact_mobilephone	varchar	20	Mobile phone
contact_fax	varchar	20	Fax
contact_email	varchar	150	Email address
contact_titleletter	varchar	50	Salutation
contact_remarks	varchar	255	Remarks
contact_active	smallint		Active (yes:1/no:0)
contact_free01	varchar	255	Free field 1
contact_free02	varchar	255	Free field 2
contact_free03	varchar	255	Free field 3
contact_free04	varchar	255	Free field 4
contact_free05	varchar	255	Free field 5
contact_free06	varchar	255	Free field 6
contact_free07	varchar	255	Free field 7
contact_free08	varchar	255	Free field 8
contact_free09	varchar	255	Free field 9
contact_free10	varchar	255	Free field 10
contact_free11	varchar	255	Free field 11
contact_free12	varchar	255	Free field 12

coopactivities table

Content: cooperation activities data

Name	Type	Size	Description
coopactivity_id	int		ID
coopactivity_lastupdate	timestamp		Date and time of last update
coopactivity_lastuser_id	int		Last updated by user ID
coopactivity_cooperation_id	int		Attachment cooperation ID
coopactivity_type_id	int		Cooperation activity type ID
coopactivity_name	varchar	255	Name
coopactivity_description	text		Description
coopactivity_www	varchar	255	Website address
coopactivity_startdate	date		Start date
coopactivity_duration	varchar	20	Duration
coopactivity_enddate	date		End date
coopactivity_faculty_id	int		Attachment faculty ID
coopactivity_facfield_id	int		Attachment field of study ID
coopactivity_referencenumber	varchar	20	Reference
coopactivity_leadership	smallint		Project leader
coopactivity_homecontact_id	int		Internal contact ID

Name	Type	Size	Description
coopactivity_homecontact_others	varchar	255	Other internal participants
coopactivity_extcontact_id	int		External contact ID
coopactivity_otherparticipants	varchar	255	Other external participants
coopactivity_fundingothers	varchar	255	Other funding sources
coopactivity_fundingamount	varchar	150	Funding amount
coopactivity_remarks	text		Remarks

coopactivity_funding table

Content: cooperation activity funding sources data

Name	Type	Size	Description
id	int		ID
coopactivity_id	int		Cooperation activity ID
coopfunding_id	int		Funding source ID

cooperation_content table

Content: cooperation content data

Name	Type	Size	Description
id	int		ID
cooperation_id	int		Cooperation ID
coopcontent_id	int		Cooperation content ID

cooperation_field table

Content: cooperation field of study and faculty data

Name	Type	Size	Description
id	int		ID
cooperation_id	int		Cooperation ID
faculty_id	int		Faculty ID
field_id	int		Field of study ID

cooperation_funding table

Content: cooperation funding data

Name	Type	Size	Description
id	int		ID
cooperation_id	int		Cooperation ID
coopfunding_id	int		Funding source ID

cooperation_institution table

Content: cooperation institution data

Name	Type	Size	Description
id	int		ID
cooperation_id	int		Cooperation ID
institution_id	int		Institution ID

cooperations table

Content: cooperation data

Name	Type	Size	Description
cooperation_id	int		ID
cooperation_lastupdate	timestamp		Date and time of last update
cooperation_lastuser_id	int		Last updated by user ID
cooperation_type_id	smallint		Type ID
cooperation_status_id	smallint		Status ID
cooperation_coopprogramme_id	int		Cooperation programme ID
cooperation_name	varchar	150	Name
cooperation_startyear_id	smallint		Start year
cooperation_endyear_id	smallint		End year
cooperation_fundingothers	varchar	255	Other funding sources
cooperation_contentothers	varchar	150	Other content
cooperation_fieldsothers	varchar	150	Other fields of study
cooperation_levels	varchar	6	Levels
cooperation_remarks	text		Remarks
cooperation_homecontact_id	int		Internal contact ID
cooperation_extcontact_id	int		External contact ID
cooperation_free01	varchar	255	Free field 1
cooperation_free02	varchar	255	Free field 2
cooperation_free03	varchar	255	Free field 3
cooperation_free04	varchar	255	Free field 4
cooperation_free05	varchar	255	Free field 5
cooperation_free06	varchar	255	Free field 6
cooperation_free07	varchar	255	Free field 7
cooperation_free08	varchar	255	Free field 8
cooperation_free09	varchar	255	Free field 9
cooperation_free10	varchar	255	Free field 10
cooperation_free11	varchar	255	Free field 11
cooperation_free12	varchar	255	Free field 12

coopprogrammes table

Content: cooperation programme data

Name	Type	Size	Description
coopprogramme_id	int		ID
coopprogramme_lastupdate	timestamp		Date and time of last update
coopprogramme_lastuser_id	int		Last updated by user ID
coopprogramme_name	varchar	50	Name
coopprogramme_name_en	varchar	50	English translation of name
coopprogramme_name_de	varchar	50	German translation of name
coopprogramme_name_fr	varchar	50	French translation of name
coopprogramme_name_es	varchar	50	Spanish translation of name
coopprogramme_name_it	varchar	50	Italian translation of name
coopprogramme_order	smallint		Order
coopprogramme_active	smallint		Active (yes:1/no:0)

degrees table

Content: course data

Name	Type	Size	Description
degree_id	int		ID
degree_lastupdate	timestamp		Date and time of last update
degree_lastuser_id	int		Last updated by user ID
degree_facfield_id	int		Attachment field of study ID
degree_code	varchar	10	Code
degree_name	varchar	100	Name
degree_name_en	varchar	100	English translation of name
degree_name_de	varchar	100	German translation of name
degree_name_fr	varchar	100	French translation of name
degree_name_es	varchar	100	Spanish translation of name
degree_name_it	varchar	100	Italian translation of name
degree_subject_id	varchar	4	Subject area ID
degree_degreetype_id	int		Attachment course type ID
degree_level_id	char	1	Study level ID
degree_active	smallint		Active (yes:1/no:0)
degree_idexternal	varchar	10	External ID

degreetypes table

Content: course type data

Name	Type	Size	Description
degreetype_id	int		ID
degreetype_lastupdate	timestamp		Date and time of last update
degreetype_lastuser_id	int		Last updated by user ID
degreetype_name	varchar	50	Name
degreetype_name_en	varchar	50	English translation of name
degreetype_name_de	varchar	50	German translation of name
degreetype_name_fr	varchar	50	French translation of name
degreetype_name_es	varchar	50	Spanish translation of name
degreetype_name_it	varchar	50	Italian translation of name
degreetype_order	smallint		Order
degreetype_code	varchar	10	Code
degreetype_level_id	char	1	Study level ID
degreetype_active	smallint		Active (yes:1/no:0)
degreetype_idexternal	varchar	10	External ID

degreeyears table

Content: course years data

Name	Type	Size	Description
degreeyear_id	int		ID
degreeyear_lastupdate	timestamp		Date and time of last update
degreeyear_lastuser_id	int		Last updated by user ID
degreeyear_degree_id	int		Attachment course ID
degreeyear_code	varchar	10	Code
degreeyear_name	varchar	100	Name

Name	Type	Size	Description
degreeyear_name_en	varchar	100	English translation of name
degreeyear_name_de	varchar	100	German translation of name
degreeyear_name_fr	varchar	100	French translation of name
degreeyear_name_es	varchar	100	Spanish translation of name
degreeyear_name_it	varchar	100	Italian translation of name
degreeyear_active	smallint		Active (yes:1/no:0)
degreeyear_idexternal	varchar	10	External ID

doctemplates table

Content: document template data

Name	Type	Size	Description
doctemplate_id	int		ID
doctemplate_lastupdate	timestamp		Date and time of last update
doctemplate_lastuser_id	int		Last updated by user ID
doctemplate_name	varchar	50	Name
doctemplate_path	varchar	255	Document path
doctemplate_recipients_id	varchar	50	Recipient type ID
doctemplate_faculty_id	int		Faculty ID for which the document template is valid (valid for any faculty if blank)
doctemplate_user_id	int		User ID for which the document template is valid (valid for any user if blank)

e_actions table

Content: e-procedure action data

Name	Type	Size	Description
action_id	smallint		ID
action_code	varchar	6	Code
action_institutioncode	varchar	11	Institution's moveonnet code
action_status_id	smallint		Status ID after action
action_message	text		Message
action_lastupdate	timestamp		Date and time of action
action_type	varchar	50	Action type

e_contacts table

Content: moveonnet contacts data

Name	Type	Size	Description
contact_id	int		ID
contact_lastupdate	timestamp		Date and time of last update
contact_lastuser_id	int		Last updated by user ID
contact_institutioncode	varchar	11	Attachment institution's moveonnet code
contact_surname	varchar	50	Surname
contact_firstname	varchar	50	First name
contact_title	varchar	20	Title
contact_sex	char	1	Gender (male:M/female:F)
contact_department	varchar	100	Department
contact_function	varchar	100	Function
contact_responsability	varchar	255	Responsibility

Name	Type	Size	Description
contact_street	varchar	150	Address
contact_postcode	varchar	15	Post code
contact_city	varchar	50	City
contact_country_id	char	2	Country
contact_phone	varchar	20	Phone
contact_mobilephone	varchar	20	Mobile phone
contact_fax	varchar	20	Fax
contact_email	varchar	150	Email address
contact_enominationin	smallint		Contact for incoming e-nominations (yes:1/no:0)
contact_enominationinarea	varchar	255	Field of responsibility, incoming e-nominations
contact_enominationout	smallint		Contact for outgoing e-nominations (yes:1/no:0)
contact_enominationoutarea	varchar	255	Field of responsibility, outgoing e-nominations
contact_public	smallint		Public (yes:1/no:0)
contact_active	smallint		Active (yes:1/no:0)

e_institutions table

Content: moveonnet institution data

Name	Type	Size	Description
institution_id	int		ID
institution_lastupdate	timestamp		Date and time of last update
institution_lastuser_id	int		Last updated by user ID
institution_type_id	smallint		Institution type ID
institution_name	varchar	100	Name
institution_nametranslated	varchar	100	Translated name
institution_city	varchar	50	City
institution_country_id	char	2	Country ID
institution_erasmuscode	varchar	12	Erasmus code
institution_code	varchar	11	moveonnet code
institution_eucnumber	int		EUC number
institution_www	varchar	255	Website address
institution_wwwenglish	varchar	255	Website address - English home page
institution_wwwinternational	varchar	255	Website address - international home page
institution_wwwcity	varchar	255	City's website address
institution_wwwcatalogue	varchar	255	Course catalogue address
institution_teachinglanguage	text		Teaching language
institution_semesterstruct_id	smallint		Semester structure ID
institution_semesterdates	text		Semester dates
institution_applformalities	text		Application formalities
institution_langrequirements	text		Language requirements
institution_appldeadlines	text		Application deadlines
institution_accommodation	text		Accommodation
institution_langpreparation	text		Language preparation/language courses
institution_fees	text		Tuition/registration fees
institution_miscellaneous	text		Miscellaneous
institution_sector_id	varchar	5	Economic activity ID
institution_size_id	varchar	5	Size ID

e_nominations table

Content: e-nomination data

Name	Type	Size	Description
nomination_id	int		ID
nomination_lastupdate	timestamp		Date and time of last update
nomination_lastuser_id	int		Last updated by user ID
nomination_code	varchar	6	moveonnet code for e-nomination
nomination_status_id	smallint		Status ID
nomination_surname	varchar	50	Surname
nomination_firstname	varchar	50	First name
nomination_sex	char	1	Gender (M: male; F: female)
nomination_birthdate	date		Date of birth
nomination_nationality_id	char	2	Nationality
nomination_email	varchar	150	Email address
nomination_institutioncode	varchar	13	Attachment institution's moveonnet code
nomination_type	varchar	10	Type (incoming/outgoing)
nomination_subject_id	char	4	Subject area ID
nomination_level_id	char	1	Study level ID
nomination_startyear	smallint		Start year (calendar year)
nomination_year_id	smallint		Start year ID (academic year)
nomination_startsemester_id	smallint		Start semester ID
nomination_durationsemesters	smallint		Duration in semesters
nomination_startmonth	smallint		Start month
nomination_durationmonths	smallint		Duration in months
nomination_homecontact_id	int		ID of moveonnet contact at home institution
nomination_hometempcontact_id	int		ID of temporary moveonnet contact at home institution
nomination_extcontact_id	int		ID of moveonnet contact at host institution
nomination_exttempcontact_id	int		ID of temporary moveonnet contact at host institution
nomination_localstatus_id	smallint		Local status ID
nomination_mobility_id	int		Attachment mobility ID
nomination_programme_id	int		Attachment programme ID
nomination_faculty_id	int		Attachment faculty ID
nomination_facfield_id	int		Attachment field of study ID

e_tempcontacts table

Content: temporary moveonnet contacts data

Name	Type	Size	Description
contact_id	int		ID
contact_lastupdate	timestamp		Date and time of last update
contact_lastuser_id	int		Last updated by user ID
contact_institutioncode	varchar	13	Attachment institution's moveonnet code
contact_surname	varchar	50	Surname
contact_firstname	varchar	50	First name
contact_title	varchar	20	Title
contact_email	varchar	150	Email address
contact_enominationin	smallint		Contact for incoming e-nominations (yes:1/no:0)
contact_enominationinarea	varchar	255	Field of responsibility, incoming e-nominations

Name	Type	Size	Description
contact_enominationin	smallint		Contact for outgoing e-nominations (yes:1/no:0)
contact_enominationoutarea	varchar	255	Field of responsibility, outgoing e-nominations
contact_definstitutioncode	varchar	13	moveonnet code of institution defining the contact

entries table

Content: entry data

Name	Type	Size	Description
entry_id	int		ID
entry_lastupdate	timestamp		Date and time of last update
entry_lastuser_id	int		Last updated by user ID
entry_funding_id	int		Attachment funding ID
entry_entrytype_id	int		Attachment expense type ID
entry_grant_id	int		Attachment grant ID
entry_description	varchar	100	Text
entry_date	date		Date
entry_planned	double		Planned amount
entry_amount	double		Amount
entry_checked	smallint		Checked (yes:1/no:0)
entry_revenue	smallint		Revenue (yes:1/no:0)
entry_remarks	varchar	255	Remarks

entrytypes table

Content: expense type data

Name	Type	Size	Description
entrytype_id	int		ID
entrytype_lastupdate	timestamp		Date and time of last update
entrytype_lastuser_id	int		Last updated by user ID
entrytype_funding_id	int		Attachment funding ID
entrytype_name	varchar	50	Name
entrytype_planned	double		Planned amount
entrytype_persontype_id	varchar	10	Person type (studout:outgoing student / studin:incoming student / staffout:outgoing staff / staffin:incoming staff)

exchanges table

Content: exchange possibilities data

Name	Type	Size	Description
exchange_id	int		ID
exchange_lastupdate	timestamp		Date and time of last update
exchange_lastuser_id	int		Last updated by user ID
exchange_institution_id	int		Attachment institution ID
exchange_cooperation_id	int		Attachment cooperation ID
exchange_programme_id	int		Attachment exchange programme ID
exchange_faculty_id	int		Attachment faculty ID
exchange_facfield_id	int		Attachment field of study ID
exchange_degree_id	int		Attachment degree ID
exchange_subject_id	varchar	4	Subject area ID

Name	Type	Size	Description
exchange_levels	varchar	5	Study level ID
exchange_active	smallint		Active (yes:1/no:0)
exchange_remarks	text		Remarks
exchange_homeinstcontact_id	int		Internal institutional contact ID
exchange_homedeptcontact_id	int		Internal departmental contact ID
exchange_hometutor_id	int		Internal tutor ID
exchange_extinstcontact_id	int		External institutional contact ID
exchange_extdeptcontact_id	int		External departmental contact ID
exchange_exttutor_id	int		External tutor ID
exchange_startyear_id	smallint		Start year ID (academic year)
exchange_renewalyear_id	smallint		Renewal year ID (academic year)
exchange_renewaldate	Date		Renewal date
exchange_endyear_id	smallint		End year ID (academic year)
exchange_abroaddegree	varchar	150	Title of external degree obtained
exchange_free01	varchar	255	Free field 1
exchange_free02	varchar	255	Free field 2
exchange_free03	varchar	255	Free field 3
exchange_free04	varchar	255	Free field 4
exchange_free05	varchar	255	Free field 5
exchange_free06	varchar	255	Free field 6
exchange_free07	varchar	255	Free field 7
exchange_free08	varchar	255	Free field 8
exchange_free09	varchar	255	Free field 9
exchange_free10	varchar	255	Free field 10
exchange_free11	varchar	255	Free field 11
exchange_free12	varchar	255	Free field 12

facfields table

Content: field of study data

Name	Type	Size	Description
facfield_id	int		ID
facfield_lastupdate	timestamp		Date and time of last update
facfield_lastuser_id	int		Last updated by user ID
facfield_faculty_id	int		Attachment faculty ID
facfield_code	varchar	10	Code
facfield_name	varchar	100	Name
facfield_name_en	varchar	100	English translation of name
facfield_name_de	varchar	100	German translation of name
facfield_name_fr	varchar	100	French translation of name
facfield_name_es	varchar	100	Spanish translation of name
facfield_name_it	varchar	100	Italian translation of name
facfield_subject_id	varchar	4	Subject area ID
facfield_active	smallint		Active (yes:1/no:0)
facfield_idexternal	varchar	10	External ID

faculties table

Content: faculty data

Name	Type	Size	Description
faculty_id	int		ID
faculty_lastupdate	timestamp		Date and time of last update
faculty_lastuser_id	int		Last updated by user ID
faculty_code	varchar	10	Code
faculty_name	varchar	100	Name
faculty_name_en	varchar	100	English translation of name
faculty_name_de	varchar	100	German translation of name
faculty_name_fr	varchar	100	French translation of name
faculty_name_es	varchar	100	Spanish translation of name
faculty_name_it	varchar	100	Italian translation of name
faculty_subject_id	varchar	4	Subject area ID
faculty_active	smallint		Active (yes:1/no:0)
faculty_idexternal	varchar	10	External ID

flows table

Content: planned mobility flows for an exchange possibility

Name	Type	Size	Description
flow_id	int		ID
flow_lastupdate	timestamp		Date and time of last update
flow_lastuser_id	int		Last updated by user ID
flow_year_id	smallint		Attachment year ID (academic year)
flow_exchange_id	int		Attachment exchange ID
flow_numberout	smallint		Number of outgoing mobilities
flow_durationout	smallint		Duration of each outgoing mobility
flow_numberin	smallint		Number of incoming mobilities
flow_durationin	smallint		Duration of each incoming mobility

freefields table

Content: free fields data

Name	Type	Size	Description
freefield_id	int		ID
freefield_lastupdate	timestamp		Date and time of last update
freefield_lastuser_id	int		Last updated by user ID
freefield_table	varchar	50	Table
freefield_number	smallint		Number
freefield_name	varchar	50	Description
freefield_type	smallint		Type (1: Text; 2: Checkbox; 3: List; 4: Date)
freefield_field	varchar	50	Field name

fundings table

Content: funding data

Name	Type	Size	Description
funding_id	int		ID
funding_lastupdate	timestamp		Date and time of last update

Name	Type	Size	Description
funding_lastuser_id	int		Last updated by user ID
funding_name	varchar	100	Name
funding_fundingtype_id	int		Attachment funding type ID
funding_year_id	smallint		Attachment year ID
funding_institution	varchar	50	Funding institution
funding_account1	varchar	50	Account reference 1
funding_account2	varchar	50	Account reference 2
funding_agreementnumber	varchar	50	Agreement reference
funding_period	varchar	50	Period of use
funding_remarks	text		Remarks
funding_acadyear	smallint		Academic year as financial year (yes:1/no(calendar year):0)
funding_faculty_id	int		Attachment faculty ID
funding_locked	smallint		Locked - data cannot be edited (yes:1/no:0)
funding_currency_id	char	3	Currency ID
funding_currencyrate	double		Exchange rate relative to the default currency
funding_durationtype_id	char	1	Duration unit ID (m: month/w:week/d:day)
funding_studout	smallint		Used for outgoing students (yes:1/no:0)
funding_studin	smallint		Used for incoming students (yes:1/no:0)
funding_staffout	smallint		Used for outgoing staff (yes:1/no:0)
funding_staffin	smallint		Used for incoming staff (yes:1/no:0)
funding_expenses	smallint		Used for expenses (yes:1/no:0)

fundingtypes table

Content: funding type data

Name	Type	Size	Description
fundingtype_id	int		ID
fundingtype_lastupdate	timestamp		Date and time of last update
fundingtype_lastuser_id	int		Last updated by user ID
fundingtype_name	varchar	50	Name
fundingtype_acadyear	smallint		Academic year as financial year (yes:1/no(calendar year):0)
fundingtype_currency_id	varchar	3	Currency ID
fundingtype_order	smallint		Order
fundingtype_studout	smallint		Used for outgoing students (yes:1/no:0)
fundingtype_studin	smallint		Used for incoming students (yes:1/no:0)
fundingtype_staffout	smallint		Used for outgoing staff (yes:1/no:0)
fundingtype_staffin	smallint		Used for incoming staff (yes:1/no:0)
fundingtype_expenses	smallint		Used for expenses (yes:1/no:0)
fundingtype_active	smallint		Active (yes:1/no:0)

grants table

Content: grant data

Name	Type	Size	Description
grant_id	int		ID
grant_lastupdate	timestamp		Date and time of last update
grant_lastuser_id	int		Last updated by user ID
grant_funding_id	int		Attachment funding ID

Name	Type	Size	Description
grant_mobility_id	int		Attachment mobility ID
grant_grantstatus_id	int		Attachment status ID
grant_duration	Double		Duration
grant_total	Double		Total amount
grant_planned	Double		Planned amount

grantstatus table

Content: grant status data

Name	Type	Size	Description
grantstatus_id	int		ID
grantstatus_lastupdate	timestamp		Date and time of last update
grantstatus_lastuser_id	int		Last updated by user ID
grantstatus_funding_id	smallint		Attachment funding ID
grantstatus_code	varchar	10	Code
grantstatus_name	varchar	50	Name
grantstatus_persontype_id	varchar	10	Person type (studout:outgoing student / studin:incoming student / staffout:outgoing staff / staffin:incoming staff)
grantstatus_amountonetime	Double		Fixed amount to be paid
grantstatus_amountmin	Double		Minimum amount to be paid per time unit
grantstatus_amountmax	Double		Maximum amount to be paid per time unit
grantstatus_durationmin	Double		Minimum duration to be paid
grantstatus_durationmax	Double		Maximum duration to be paid
grantstatus_percentpaid	Double		Percentage paid relative to total amount to be paid

images table

Content: image data

Name	Type	Size	Description
image_id	int		ID
image_lastupdate	timestamp		Date and time of last update
image_lastuser_id	int		Last updated by user ID
image_name	varchar	50	Name
image_object	binary		Image file
image_faculty_id	int		Faculty ID for which the image is valid (valid for any faculty if blank)
image_user_id	int		User ID for which the image is valid (valid for any user if blank)

institutions table

Content: institution data

Name	Type	Size	Description
institution_id	int		ID
institution_lastupdate	timestamp		Date and time of last update
institution_lastuser_id	int		Last updated by user ID
institution_type_id	smallint		Institution type ID
institution_name	varchar	100	Name
institution_nametranlated	varchar	100	Translated name
institution_city	varchar	50	City

Name	Type	Size	Description
institution_country_id	char	2	Country ID
institution_erasmuscode	varchar	12	Erasmus code
institution_moveonnetcode	varchar	11	moveonnet code
institution_eucnumber	int		EUC number
institution_partner	smallint		Partner (yes:1/no:0)
institution_www	varchar	255	Website address
institution_wwwenglish	varchar	255	Website address - English home page
institution_wwwInternational	varchar	255	Website address - international home page
institution_wwwcity	varchar	255	City's website address
institution_wwwcatalogue	varchar	255	Course catalogue address
institution_teachinglanguage	text		Teaching language
institution_semesterstruct_id	smallint		Semester structure ID
institution_semesterdates	text		Semester dates
institution_applformalities	text		Application formalities
institution_langrequirements	text		Language requirements
institution_appldeadlines	text		Application deadlines
institution_accommodation	text		Accommodation
institution_langpreparation	text		Language preparation/language courses
institution_fees	text		Tuition/registration fees
institution_miscellaneous	text		Miscellaneous
institution_sector_id	varchar	5	Economic activity ID
institution_size_id	varchar	5	Size ID
institution_idexternal	varchar	10	External ID
institution_free01	varchar	255	Free field 1
institution_free02	varchar	255	Free field 2
institution_free03	varchar	255	Free field 3
institution_free04	varchar	255	Free field 4
institution_free05	varchar	255	Free field 5
institution_free06	varchar	255	Free field 6
institution_free07	varchar	255	Free field 7
institution_free08	varchar	255	Free field 8
institution_free09	varchar	255	Free field 9
institution_free10	varchar	255	Free field 10
institution_free11	varchar	255	Free field 11
institution_free12	varchar	255	Free field 12

mobilities table

Content: mobility data

Name	Type	Size	Description
mobility_id	int		ID
mobility_lastupdate	timestamp		Date and time of last update
mobility_lastuser_id	int		Last updated by user ID
mobility_person_id	int		Attachment person ID
mobility_persontype_id	varchar	10	Person type (studout:outgoing student / studin:incoming student / staffout:outgoing staff / staffin:incoming staff)
mobility_exchange_id	int		Exchange ID
mobility_mobilitytype_id	int		Mobility type ID

Name	Type	Size	Description
mobility_status_id	smallint		Status ID
mobility_institution_id	int		Institution ID
mobility_country_id	char	2	Country ID
mobility_programme_id	int		Mobility programme ID
mobility_faculty_id	int		Faculty ID
mobility_facfield_id	int		Field of study ID
mobility_degree_id	int		Course ID
mobility_degreetype_id	int		Course year ID
mobility_name	varchar	255	Name
mobility_remarks	text		Remarks
mobility_applicationcode	varchar	6	moveonnet code for e-nomination
mobility_applicationnumber	varchar	10	Application folder number
mobility_extqualification_id	char	1	Qualification type ID
mobility_mandatory	smallint		Mandatory mobility (1:yes; 2:no)
mobility_degreetype_id	int		Course type ID
mobility_degreetypeother	varchar	20	Other course type
mobility_homedeptcontact_id	int		Internal departmental contact ID
mobility_hometutor_id	int		Internal tutor ID
mobility_extdeptcontact_id	int		External departmental contact ID
mobility_exttutor_id	int		External tutor ID
mobility_year_id	smallint		Academic year ID
mobility_startsemester_id	smallint		Start semester ID
mobility_endsemester_id	smallint		End semester ID
mobility_durationsemesters	smallint		Duration in semesters
mobility_durationmonths	double		Duration in months
mobility_durationdays	smallint		Duration in days
mobility_startdate	date		Start date
mobility_enddate	date		End date
mobility_plannedstartdate	date		Planned start date
mobility_plannedenddate	date		Planned end date
mobility_planneddurationmonths	double		Planned duration in months
mobility_arrivaldate	date		Arrival date
mobility_homelevel_id	char	1	Internal study level ID
mobility_extlevel_id	char	1	External study level ID
mobility_homesubject_id	char	4	Internal subject area ID
mobility_extsubject_id	char	4	External subject area ID
mobility_language_id	char	2	Language ID
mobility_numberyearsbefore	double		Number of study years before mobility
mobility_seniority_id	char	1	Tutor status
mobility_teachinghours	int		Number of teaching hours
mobility_creditsects	smallint		Use of ECTS
mobility_creditsnumber1	double		Number of ECTS credits - 1st sem.
mobility_creditsnumber2	double		Number of ECTS credits - 2nd sem.
mobility_extgrad	smallint		Degree obtained at external institution (1:yes; 2:no)
mobility_extgraddate	date		Date degree obtained at external institution
mobility_extgraddegree	varchar	150	Title of degree at external institution
mobility_homegrad	smallint		Degree obtained at internal institution (1:yes; 2:no)

Name	Type	Size	Description
mobility_homegraddate	date		Date degree obtained at internal institution
mobility_homegraddegree	varchar	150	Title of degree at internal institution
mobility_addressbook	smallint		Included in address book (1:yes; 2:no)
mobility_addressbookremarks	varchar	255	Remarks for address book
mobility_accomstartdate	date		Planned accommodation start date
mobility_accomenddate	date		Planned accommodation end date
mobility_accomformdate	date		Accommodation request date
mobility_accomformremarks	varchar	150	Accommodation request remarks
mobility_accomremarks	varchar	150	Accommodation remarks
mobility_langcoursedate	date		Language course request date
mobility_langcourseremarks	varchar	255	Language course remarks
mobility_grantremarks	varchar	255	Grant remarks
mobility_application_id	int		Attachment application ID
mobility_applicationremarksext	varchar	255	External institution application remarks
mobility_applicationstatus1_id	smallint		Individual application status ID
mobility_applicationorder	smallint		Application order
mobility_applicationstatus2_id	smallint		Individual application status ID
mobility_applicationrank	smallint		Waiting list ranking
mobility_applicationstatus3_id	smallint		External application status ID
mobility_nationalgrant	varchar	50	National grant
mobility_extacceptancedate	Date		Date of acceptance by external institution
mobility_personacceptancedate	Date		Date of acceptance by student
mobility_startconfirmdate	Date		Start confirmation date
mobility_endconfirmdate	Date		End confirmation date
mobility_ladate	Date		Learning agreement date
mobility_progagreementdate	Date		Mobility programme date
mobility_tor1date	Date		Transcript of records date - 1st sem.
mobility_tor2date	Date		Transcript of records date - 2nd sem.
mobility_reportdate	Date		Mobility report date
mobility_dsdate	Date		Degree supplement date
mobility_europassdate	Date		Europass certificate date
mobility_expensereportdate	Date		Expenses claim date
mobility_travelappldate	Date		Travel order date
mobility_free01	varchar	255	Free field 1
mobility_free02	varchar	255	Free field 2
mobility_free03	varchar	255	Free field 3
mobility_free04	varchar	255	Free field 4
mobility_free05	varchar	255	Free field 5
mobility_free06	varchar	255	Free field 6
mobility_free07	varchar	255	Free field 7
mobility_free08	varchar	255	Free field 8
mobility_free09	varchar	255	Free field 9
mobility_free10	varchar	255	Free field 10
mobility_free11	varchar	255	Free field 11
mobility_free12	varchar	255	Free field 12

mobilitysettings table

Content: mobility settings data

Name	Type	Size	Description
mobilitysetting_id	int		ID
mobilitysetting_lastupdate	timestamp		Date and time of last update
mobilitysetting_lastuser_id	int		Last updated by user ID
mobilitysetting_name	varchar	50	Name
mobilitysetting_value	varchar	255	Value
mobilitysetting_mobility_id	int		Attachment mobility ID

mobilitytypes table

Content: mobility type data

Name	Type	Size	Description
mobilitytype_id	int		ID
mobilitytype_lastupdate	timestamp		Date and time of last update
mobilitytype_lastuser_id	int		Last updated by user ID
mobilitytype_name	varchar	50	Name
mobilitytype_name_en	varchar	50	English translation of name
mobilitytype_name_de	varchar	50	German translation of name
mobilitytype_name_fr	varchar	50	French translation of name
mobilitytype_name_es	varchar	50	Spanish translation of name
mobilitytype_name_it	varchar	50	Italian translation of name
mobilitytype_order	smallint		Order
mobilitytype_studout	smallint		Used for outgoing students (yes:1/no:0)
mobilitytype_studin	smallint		Used for incoming students (yes:1/no:0)
mobilitytype_staffout	smallint		Used for outgoing staff (yes:1/no:0)
mobilitytype_staffin	smallint		Used for incoming staff (yes:1/no:0)
mobilitytype_active	smallint		Active (yes:1/no:0)

modules table

Content: details of modules used for the transcript of records

Name	Type	Size	Description
module_id	int		ID
module_number	varchar	15	Reference
module_name	varchar	70	Name
module_teacher	varchar	50	Tutor name
module_ectscredits	double		Number of ECTS credits
module_duration	varchar	15	Duration

occupancies table

Content: accommodation occupancy data

Name	Type	Size	Description
occupancy_id	int		ID
occupancy_lastupdate	timestamp		Date and time of last update
occupancy_lastuser_id	int		Last updated by user ID
occupancy_accommodation_id	int		Attachment accommodation ID
occupancy_mobility_id	int		Attachment mobility ID

Name	Type	Size	Description
occupancy_startdate	date		Occupancy start date
occupancy_enddate	date		Occupancy end date

persons table

Content: person data

Name	Type	Size	Description
person_id	int		ID
person_lastupdate	timestamp		Date and time of last update
person_lastuser_id	int		Last updated by user ID
person_persontype_id	varchar	10	Person type (studout:outgoing student / studin:incoming student / staffout:outgoing staff / staffin:incoming staff)
person_surname	varchar	50	Surname
person_firstname	varchar	50	First name
person_title	varchar	20	Title
person_sex	char	1	Gender (male:M/female:F)
person_birthdate	date		Date of birth
person_birthcountry_id	char	2	Country of birth ID
person_birthplace	varchar	50	Place of birth
person_nationality_id	char	2	Country of nationality ID
person_nationality2_id	char	2	Country of second nationality ID
person_idnational	varchar	20	National ID
person_faculty_id	int		Attachment faculty ID
person_idmatriculation	varchar	15	Student number
person_graduationyear_id	smallint		Degree year/graduation year ID
person_currentco	varchar	35	Current address - c/o
person_currentstreet	varchar	150	Current address - street
person_currentpostcode	varchar	15	Current address - postcode
person_currentcity	varchar	50	Current address - city
person_currentcountry_id	char	2	Current address - country ID
person_currentphone	varchar	20	Current address - phone
person_currentvaliduntil	date		Current address - valid until
person_mobilephone	varchar	20	Mobile phone
person_email	varchar	150	Email address
person_homeco	varchar	35	Home address - c/o
person_homestreet	varchar	150	Home address - street
person_homepostcode	varchar	15	Home address - postcode
person_homecity	varchar	50	Home address - city
person_homecountry_id	char	2	Home address - country ID
person_homephone	varchar	20	Home address - phone
person_bankcountry_id	char	2	Bank details - country ID
person_bankname	varchar	50	Bank details - name of bank
person_bankref	varchar	30	Bank details - bank reference
person_bankbic	varchar	11	Bank details - BIC number
person_bankaccount	varchar	30	Bank details - account reference
person_bankiban	varchar	35	Bank details - account IBAN
person_bankbeneficiary	varchar	50	Bank details - account holder
person_privacyconsent	smallint		Consent to transmit data (yes:1/no:0)

Name	Type	Size	Description
person_schoolexamyear_id	smallint		School leaving exam year ID
person_schoolexamcountry_id	char	2	School leaving exam country ID
person_schoolexamplace	varchar	30	School leaving exam location
person_remarks	text		Remarks
person_idexternal	varchar	10	External ID
person_emergencyname	varchar	100	Name of person to contact in an emergency
person_emergencyphone	varchar	20	Phone number of person to contact in an emergency
person_emergencyemail	varchar	150	Email address of person to contact in an emergency
person_iddoctype_id	smallint		Identity document type (1: identity card; 2: passport)
person_iddocnumber	varchar	30	Identity document number
person_iddocissuedate	date		Identity document issue date
person_iddocepirydate	date		Identity document expiry date
person_iddocissuedby	varchar	100	Identity document issuing body
person_free01	varchar	255	Free field 1
person_free02	varchar	255	Free field 2
person_free03	varchar	255	Free field 3
person_free04	varchar	255	Free field 4
person_free05	varchar	255	Free field 5
person_free06	varchar	255	Free field 6
person_free07	varchar	255	Free field 7
person_free08	varchar	255	Free field 8
person_free09	varchar	255	Free field 9
person_free10	varchar	255	Free field 10
person_free11	varchar	255	Free field 11
person_free12	varchar	255	Free field 12

programmes table

Content: exchange programme data

Name	Type	Size	Description
programme_id	int		ID
programme_lastupdate	timestamp		Date and time of last update
programme_lastuser_id	int		Last updated by user ID
programme_name	varchar	50	Name
programme_name_en	varchar	50	English translation of name
programme_name_de	varchar	50	German translation of name
programme_name_fr	varchar	50	French translation of name
programme_name_es	varchar	50	Spanish translation of name
programme_name_it	varchar	50	Italian translation of name
programme_order	smallint		Order
programme_studout	smallint		Used for outgoing students (yes:1/no:0)
programme_studin	smallint		Used for incoming students (yes:1/no:0)
programme_staffout	smallint		Used for outgoing staff (yes:1/no:0)
programme_staffin	smallint		Used for incoming staff (yes:1/no:0)
programme_active	smallint		Active (yes:1/no:0)
programme_idexternal	varchar	10	External ID

remarks table

Content: remarks data

Name	Type	Size	Description
remark_id	int		ID
remark_lastupdate	timestamp		Date and time of last update
remark_lastuser_id	int		Last updated by user ID
remark_parenttable	varchar	15	Name of attachment table
remark_parentrecord_id	int		Attachment record ID
remark_date	Date		Date
remark_text	text		Text

reportfields table

Content: details of fields included in a report template

Name	Type	Size	Description
reportfield_id	int		ID
reportfield_report_id	int		Attachment report template ID
reportfield_table	varchar	50	Name of data table
reportfield_field	varchar	50	Name of table field
reportfield_order	varchar	3	Order of appearance (column)
reportfield_sort	smallint		Sort order
reportfield_length	Double		Column width

reports table

Content: report template data

Name	Type	Size	Description
report_id	int		ID
report_lastupdate	timestamp		Date and time of last update
report_lastuser_id	int		Last updated by user ID
report_table	varchar	30	Data type (e.g. mobilities)
report_name	varchar	50	Name
report_orientation	smallint		Orientation (landscape:1/portrait:2)
report_numbering	smallint		Numbering (yes:0/no:0)
report_title1	varchar	50	1st line title
report_title2	varchar	50	2nd line title

settings table

Content: general settings data

Name	Type	Size	Description
setting_id	int		ID
setting_lastupdate	timestamp		Date and time of last update
setting_lastuser_id	int		Last updated by user ID
setting_name	varchar	50	Name
setting_value	varchar	255	Value
setting_faculty_id	int		Faculty ID for which the setting is valid (valid for any faculty if blank)
setting_user_id	int		User ID for which the setting is valid (valid for any user if blank)

transcripts table

Content: details of course units taken during a mobility

Name	Type	Size	Description
transcript_id	int		ID
transcript_lastupdate	timestamp		Date and time of last update
transcript_lastuser_id	int		Last updated by user ID
transcript_mobility_id	int		Attachment mobility ID
transcript_modulenummer	varchar	15	Reference
transcript_moduleduration	varchar	15	Duration
transcript_modulename	varchar	70	Name
transcript_moduleteacher	varchar	50	Tutor name
transcript_localgrade	varchar	15	Local grade
transcript_ectsgrade	varchar	5	ECTS grade
transcript_ectscredits	double		Number of ECTS credits
transcript_order	smallint		Order

usergroup_right table

Content: user rights data

Name	Type	Size	Description
id	int		ID
usergroup_id	int		User group ID
right_id	smallint		Right ID
right_view	smallint		View right (yes:1/no:0)
right_update	smallint		Update right (yes:1/no:0)
right_add	smallint		Add right (yes:1/no:0)

usergroups table

Content: user group data

Name	Type	Size	Description
usergroup_id	int		ID
usergroup_lastupdate	timestamp		Date and time of last update
usergroup_lastuser_id	int		Last updated by user ID
usergroup_name	varchar	50	Name
usergroup_order	smallint		Order
usergroup_active	smallint		Active (yes:1/no:0)

users table

Content: user data

Name	Type	Size	Description
user_id	int		ID
user_lastupdate	timestamp		Date and time of last update
user_lastuser_id	int		Last updated by user ID
user_usergroup_id	int		Attachment user group ID
user_faculty_id	int		Attachment faculty ID
user_surname	varchar	25	Surname
user_firstname	varchar	25	First name
user_username	varchar	20	User name

Name	Type	Size	Description
user_password	varchar	32	Password (MD5-encrypted)
user_phone	varchar	25	Phone
user_email	varchar	150	Email address
user_active	smallint		Active (yes:1/no:0)

visits table

Content: visit data

Name	Type	Size	Description
visit_id	int		ID
visit_lastupdate	timestamp		Date and time of last update
visit_lastuser_id	int		Last updated by user ID
visit_institution_id	int		Attachment institution ID
visit_faculty_id	int		Attachment faculty ID
visit_startdate	Date		Start date
visit_enddate	Date		End date
visit_participants	varchar	255	Participants
visit_reason	varchar	255	Reason
visit_remarks	varchar	255	Remarks
visit_location	varchar	50	Location
visit_description	varchar	100	Description
